Write your first entry

Revision 2026-10-11

Make this week's plan, then write and submit today's journal entry.

Every week needs a weekly plan before you can write a daily journal entry.

Make this week's plan

1. Tap **My Journal** at the bottom.
2. Under **THIS WEEK'S PLAN**, tap **Set this week's plan** (or tap **Make weekly plan** if the app asks).
3. Tap **Add Goals**, pick up to 3 goals, then tap **Done**.
4. Write this week's actions in the box, then tap **Submit weekly plan**. Saving a **Draft** isn't enough. When it's done, it says **Weekly plan complete**.

Write today's entry

1. Tap **New Journal Entry**.

Answer the four prompts. Tap **Continue** to move to the next one:

- **What did you learn?**
 - **Technique:** tap a **Quick Add** chip (**Takedown**, **Top**, **Bottom**, **Escape**, or **Setup**) if you want.
 - **Mindset**
 - **Next Time:** tap a goal under **From Goals**, or tap **New** to add one. If you have no goals yet, tap **Add a goal**.
3. Under **Which goal did you work toward?**, you can check goals this entry helped with (optional).
 4. Tap **Finish Entry**.

Not ready? Tap **Save Draft**. Later the button says **Continue Entry**. Coaches never see a **Draft**.
