Delete a hosted event

Revision 2026-10-10

Remove a hosted event, its calendar entry and its flyer link.

Delete

1. Select **Delete** on the event dashboard (or in the flyer builder).
2. Confirm: "Delete this event plan? This cannot be undone."
3. You're back on the Event Manager list.

Deleting also removes the event from your calendar. Its flyer and public link stop working.
