Find, filter and sort athletes

Revision 2026-10-10

Narrow the Team Journals list to the athletes you want to check on.

Search

1. In the **Athletes** list, type a name in **Search**.
2. Select **Clear** to start over. It resets every filter.

Filter

1. Pick from the filters above the list:
   - **Journal**: **All**, **Shared** or **Private**
   - **Today**: **All**, **Journaled today** or **Not yet today**
   - **Grad year** and **Weight**
2. To check a stretch of days, pick **Days journaled from** and **to**, then select **Show days journaled**. A new column shows, for example, "6 / 8" days. Select **Hide** to remove it.
3. The bottom of the list says how many match, for example "Showing 10 of 11 athletes."

Sort

Click a column title, such as **Streak**, **7-day %** or **Last submitted**. A small arrow shows the order.
