Quick calendar event or hosted event?

Revision 2026-10-10

Decide whether to add a simple calendar event or plan a full hosted event.

Use a quick calendar event when

You're adding a practice, a dual at someone else's gym, or a meeting. On the **Calendar**, select **+ New event**. See Add a practice, meet or other event.

Use a hosted event when

Your team is hosting and you want the full plan, checklist and flyer. On the **Calendar**, select **Plan an Event**, or open **Event Manager**. See Start a new hosted event.
