Set weigh-ins and the schedule

Revision 2026-10-10

Add weigh-in times and the event-day schedule.

Weigh-ins

1. Click a preset to add a row: **Initial weigh-in**, **Prelims** or **Finals**.
2. On each row, set the **Label**, **Day**, **Start time** and **End time**. Use **Remove** to delete a row.
3. On a multi-day event, **Add day** adds a weigh-in for the next day. On a one-day event it's greyed out.
4. Add anything else wrestlers need to know in **Weigh-in notes**.

Schedule

1. Click **Doors open**, **Wrestling begins**, **Awards** or **Concessions** (or **Add day**) to add rows.
2. Set the day and times on each row.
3. Add extras in **Schedule notes**, such as when mat assignments get posted.
